

Distance Education and Learning Technology Applications (DELTA) Division of the Office of the Provost

TOTAL POSITION COUNT = 107 (EHRA=46, SHRA=61)

DELTA's role within the Office of the Provost is to foster the integration and support of learning technologies in NC State's academic programs, both on the campus and at a distance.

We coordinate the funding and production of all distance-based credit programs and courses for the university, and promote high-quality education by extending the reach of the faculty and collaboratively applying expertise in technology and pedagogy in an efficient, effective, and service-oriented environment.
