Today’s Agenda

History

Transitioning to Collaborate

SLMS Search

Questions
History
• Elluminate has been our SLMS for the last 6 years
• Blackboard purchased Elluminate and Wimba in 2010 & rolled both into new product called Collaborate
• Elluminate has reached end of life, will no longer be upgraded/fixed
Transitioning to Collaborate
• Elluminate will be available for use through summer 2012
• Collaborate will be available for training and practice during summer 2012
• Collaborate will be the SLMS starting fall 2012
• Elluminate will only be available for archiving content in fall 2012

SLMS Recommendation

LMS Steering
2013-2014

- Permanent SLMS solution is chosen and deployed, with similar transition process as Elluminate to Collaborate

Spring 2013

- Collaborate is available for use
- Users can no longer download previously recorded Elluminate sessions

Fall 2012

- Collaborate is available for use
- Elluminate is no longer available for creating, attending, or recording sessions
- Previously recorded Elluminate sessions can be downloaded using Elluminate Publish

Summer 2012

- Elluminate continues to be available for use
- Collaborate becomes available for use
- Collaborate training opportunities continue
- Recorded Elluminate sessions can be downloaded using Elluminate Publish

May 2012

- Collaborate training opportunities and documentation available
